## **JOHN McANDREW: New CD Release** **“Good Enough”**

**John McAndrew**, extraordinary singer/songwriter, musician, and master lyricist, is proud to announce the completion of his new CD **“Good Enough”**.

Produced in Los Angeles by award winning producer/engineer **Ken Polk** for MauiKat Records, this is his most anticipated work yet.

John has been described as a talented storyteller, “...who draws pictures with your imagination. His musical messages speak to both a time that was, as well as to what might be – the passion, inspiration, and emotion in his songs and performances are so identifiable and so much part of the essence of us all, you can’t help but be in awe, and an instant fan”.

Three of John’s songs from the new CD are featured in the upcoming full length motion picture **“Welcome Back Miss Mary”** starring **Marley Shelton, Jennifer Esposito, Charles Durning, Olympia Dukakis, and Stacy Keach.**

*“The greatest artists are those whose lives are their art. John IS his music – honest, tender, tough. Always an echo of the heartbeat of life. All of John’s music arises out of that heartbeat. If he sings about it, it is because people have lived it. More than anything else, John’s music is life, listening to itself.”*

**- Earnie Larsen, Author, Motivational Speaker**

*“John McAndrew plays to the heart and soul of all of us.”*

**- William C. Moyers, Hazelden Foundation**

*“I love using John’s music in my film work. His songs are always unique, while somehow magically evoking a familiarity that rings emotionally true for the audience. What an extraordinary talent and treasure. This new CD is a winner.”*

**- Chris Cibelli, Motion Picture Editor/Music Supervisor**

*“Some artists are gifted, others must work at their talent, and so very few, like John, you come to believe God smiles upon, and must think, ‘I did GOOD, thank you!’ “*

- **Michael Burgraff, Managing Director, Fairmont Opera House**

*“John McAndrew reminds me of the early days of Billy Joel, when people sat at the piano bar, putting bread into his jar, saying, “man, what are you doin’ here?!” . He is simply great at the piano, and has a voice that can light you up.”*

- **Billy Powell, Keyboard Player, Lynyrd Skynyrd,  
Rock and Roll Hall of Fame Inductee**
